The screenshot shows a user profile icon on the left. To its right, a comment box contains the text: "namesurname on July 24, 2012 at 6:40 pm said: Your comment is awaiting moderation. Sounds like you had a great time!". Below the comment is a "Reply ↓" button. A modal window titled "Leave a Reply" is open, showing the user is logged in as "namesurname" with a "Log out?" link. The modal contains a large text input field with a vertical cursor and a "Post Comment" button at the bottom right. A "CANCEL REPLY" link is located in the top right corner of the modal.

5. Enter your reply and click 'Post Comment'
